

TIME XTENDER

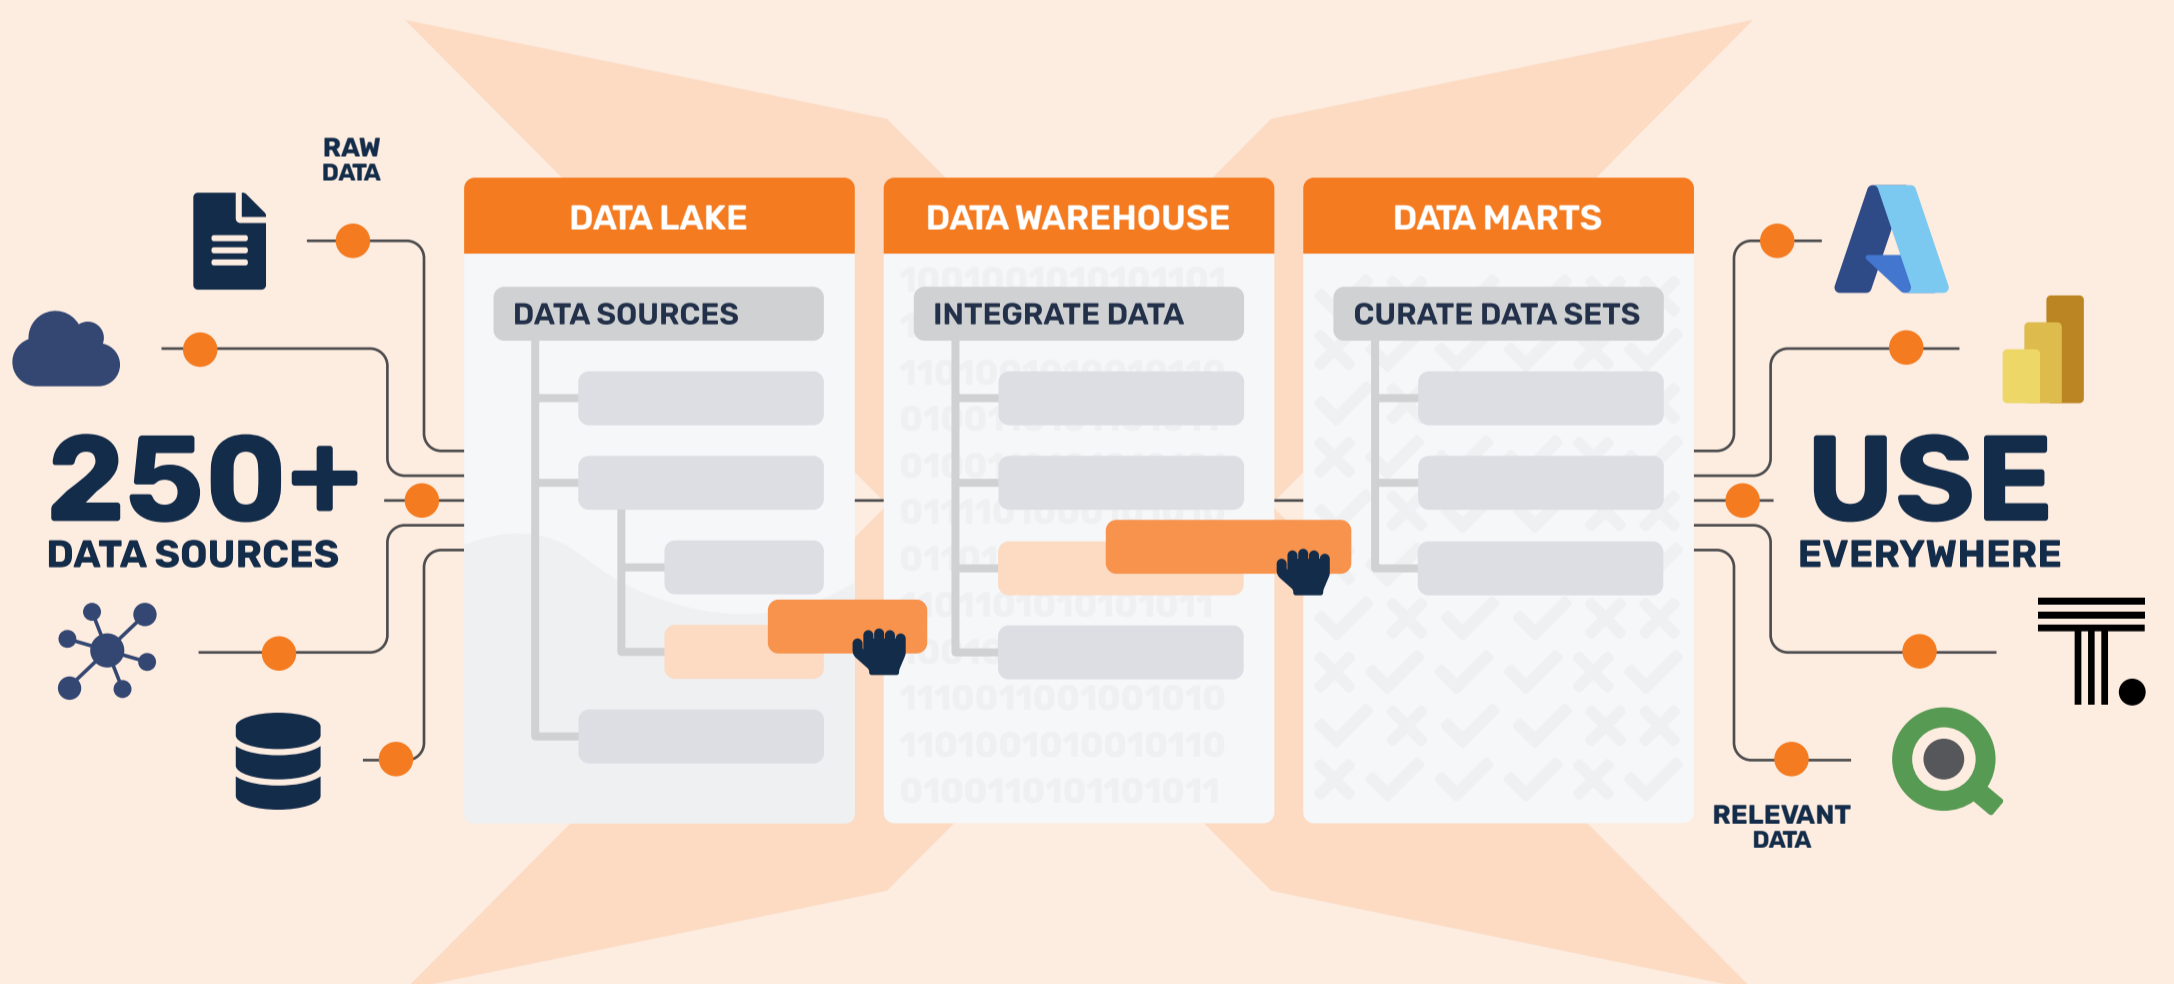

THE CHALLENGE:

Manual coding, complex tool **stacks** and restrictive data management **platforms** fail to meet the needs of modern data teams. Data professionals are in desperate need of a **faster, smarter, more flexible** way to build and manage their data estates.

THE SOLUTION:

TimeXtender empowers you to build a modern data estate **10x faster** with our low-code, agile, integrated data estate builder.

THE VALUE:

Our data estate builder automatically generates all code and documentation, which reduces **build costs by 70%**, frees data teams from manual, repetitive tasks, and empowers BI and analytics experts to easily create their **own** data products.

BUILDING A MODERN DATA ESTATE DOES NOT HAVE TO BE COMPLEX, EXPENSIVE OR HARD.
SIMPLIFY, AUTOMATE, EXECUTE. BECAUSE TIME MATTERS.
